Notes and Guidelines:

Requests for less than \$2500 will be decided by the Special Grant Committee and requests for more than \$2500 must go before the United Way Board.

Requests should be for "unique" type expenses. This money is not intended for typical allocation expenditures, also not for recurring or regular operating expenses. Requests are not restricted only to capital expenses. The committee will have authority to evaluate the requests and judge the value of the requests against possible future requests. We would like this money to be put to use and to help as many agencies as possible. We would also like to provide this as a service for our agencies, while recognizing the fund is financed by unrealized shrinkage and therefore the money available will fluctuate.
