Grants that are approved must be completed within 90 days of approval unless other arrangements have been approved.

Amended 4- 2011

**Notes and Guidelines:**

Requests for less than \$2500 will be decided by the Special Grant Committee and requests for more than \$2500 must go before the United Way Board.

Requests should be for "unique" type expenses. This money is not intended for typical allocation expenditures, also not for recurring or regular operating expenses. Requests are not restricted only to capital expenses. The committee will have authority to evaluate the requests and judge the value of the requests against possible future requests. We would like this money to be put to use and to help as many agencies as possible. We would also like to provide this as a service for our agencies, while recognizing the fund is financed by unrealized shrinkage and therefore the money available will fluctuate.

To Whom it Concerns,

Request- We are applying for this onetime Grant to add on a new learning center for our residents that will be facilitated by Pastor Carey Gibbs.

Funds- We will need the funds around the first week of June or latest by mid-June.

Our Mission- Here at Crossroads we focus on the whole man. Education is very important and with this Learning Center we will be able to meet a few different needs for our residents. We will be able offer them a way to further their education. We will be helping them to learn how to build a resume, fill out job applications, take online classes, and study for GED.

Thanks,

Associate Director

Sean Casteel
